

# PACIFIC FISHING

THE BUSINESS MAGAZINE FOR FISHERMEN

## ***November/December issues: Reserve a spot in our "What's New" section***

Do you have a new product or service for the North Pacific fleet? "What's New" is a complimentary opportunity to give them your update. See page 37 in our September issue for an example:

<http://www.pacificfishing.com/advwithus.html>

Our November/December issues are distributed at the Pacific Marine Expo, November 18 to 20.

Step one: Email me to secure your space.

Step two: Submit 100 words and a high resolution photo/graphic by 9/30.

***And it's not too late to place a display ad in the November issue.*** Reserve space by 9/16! More details are found in the promo letter at the link above, or: [pacificfishing.com](http://pacificfishing.com) (click on "advertise" at the top).

***Another opportunity!*** Ocean Beauty Seafoods and Pacific Seafood renewed participation in our 2016 calendar. Processors represent a significant buying power and they read ***Pacific Fishing!*** Trident Seafoods advertises in every issue.

***We have ONE vacancy in the calendar.*** Join those major processors and Lynden Transport, Baier Marine, ASMI, Gaski Marine, Karl Senner, Vancouver Shipyards, Drydock/Seaspan and the MSC. ***Don't delay!*** The calendar is an insert in the December issue, so it doubles as a full-page ad.

Thank you! We look forward to promoting your products and services to the North Pacific commercial fishing industry,

*Diane*
